TEKNIK™ PLUS SOCKS**

ONE SIZE

One size fits all - this is a technical sock
which shrinks in the wash but stretches back
to its original size. The GM Teknik Plus sock
combines Merino Wool and polypropylene to
help wick away moisture, keeping the feet dry
and blister free. The loop pile construction
provides fully cushioned comfort. The double
padded sole, incorporating Cordura in the heel
and toe, ensure durability and protection and
with a specially designed relaxed top, ventilation
channels and a flat link toe seam it is easy to
see why the Teknik Plus is the ultimate cricket
sock.
